**MINISTRY OF ENERGY**

Re: **ENDORSEMENT OF THE FIFTH TANZANIA ENERGY CONGRESS**

The Ministry of Energy of the United Republic of Tanzania officially endorses the 5th Tanzania Energy Congress taking place 20 - 21 September 2023, in Dar Es Salaam.

The Ministry of Energy appreciates your interest to prepare the fifth edition of the Energy Congress especially after realizing success from earlier endeavour on the same. The Ministry understands that the Congress has been firmly established as the most critical meeting place for national, regional and international business leaders. Investors and new contractors looking to strengthen existing partnerships, develop new business opportunities and exchange knowledge and ideas in the energy industry.

The Ministry has no objection for you to proceed with the preparation of the 5th Tanzania Energy Congress 2023 and looks forward to participate.

We invite all speakers, sponsors, exhibitors, delegates and participants to attend the planned Congress.
